Re: Asphalt Pavements

To: Little St. James
Attn: Richard Kahn
Email: [REDACTED]

Project: Asphalt Paving
Little St. James Island

Sent Via Email

Dear Mr. Kahn,

We are pleased to provide you with the competitive proposal;

- The **Scope of Work** is as follows;
 - Prepare and level sub base.
 - Eradicate and remove weeds and organic materials from sub base.
 - Compact sub base to insure stability
 - Apply Tack Coat prior to asphalt concrete placement.
 - Place new 2 inch asphalt concrete overlay.
- The **Areas** are of the following size; 13,000 SY
- **Cost of Work** - \$525,000.00, in addition the cost per ton for in-place asphalt concrete in excess of 1,500 tons shall be \$300.00 per ton.

Contract Price: \$525,000.00, for the total Scope of Work.

*Total Costs quoted inclusive of labor, equipment, materials and materials related costs, but is exclusive of barging to and from Little St. James Island. Two round trips on barging is anticipated per day. In addition, a 15 to 25 day completion time is anticipated. The Contract Price is subject to change if there is any change to the Scope of Work.

Respectfully,

**Eason
