Stages™ 33" stainless steel kitchen sink

The Stages line of kitchen sinks, part of the Chef Inspired Collection, was developed in collaboration with professional chefs in order to meet the needs of the serious home cook. The large, deep basin offers ample room for cleaning large pots and pans, while the stepped side platform provides a convenient area for staging or cleaning produce or drying dishes. The sink comes included with a wide range of accessories designed to enhance the sink's functionality and allow the user to work more efficiently in their kitchen.

33" L x 18-1/2" W x 9-1/2" H

Undercounter installation

16 gauge, fabricated stainless steel

Single compartment with wet surface work area

American Walnut cutting board, bottom basin rack, (6) prep bowls, flip tray, utensil tray, and accessory storage rack are included with the sink

The six prep bowls allow the user to gather ingredients prior to cooking, making it easier to add them as needed to the recipe. They are double sided, with the deep side for large amounts of ingredients and the shallow side for spices or garnishes.

The plastic flip tray can be used as a prep or serving tray, or flipped over and used as a cutting surface

The plastic utensil tray can be used to hold utensils during cooking or to soak knives and other utensils after the meal, keeping them safely out of the way

The stainless steel accessory storage rack easily attaches to the underside of the sink, giving the user a convenient place to store the included accessories
