Electronic Solutions Made Simple . . .

Electronic Solutions Made Simple . . .

## Letter from the Owners

**SOUNDX** is family owned and operated and has over 30 years combined experience in sales and installation of the finest audio/video components available. We've designed and installed systems for all sorts of different projects all over the world. **SOUNDX** has the experience and knowledge to create a system capable of captivating your senses. Our team of skilled staff members will help you select the right equipment and will work side-by-side with your architect, contractor, builder and/or interior designer to create the system of your dreams.

### Imagine The Possibilities . . .

At **SOUNDX** our mission is to provide our customers with the finest service possible from inception to completion, by offering a single source for quality theaters, multi-room audio & video, lighting and automation. It is our goal to go beyond every customers expectations with our unsurpassed customer service. Whether its two days, two months or two years after **SOUNDX** has provided its services, we will be available to assist you in any way possible. Its our promise . . .

Respectfully

Nick Lambros

# HOME THEATER

The thrill of the authentic movie theater experience can be perfectly recreated in the comfort of your home, and **SOUNDX** makes it simple. New technologies, such as High Definition Video and Dolby Digital sound, deliver a sense of realism and involvement that, until recently, was impossible to achieve in your home. **SOUNDX** can design and install custom audio video systems ranging from the simple to the extravagant. Regardless of budget, great home theaters bring the magic of a movie into your home, and provide pure entertainment that the whole family will enjoy.

EXPERIENCE MOVIES  
LIKE YOU NEVER HAVE  
IMAGINED POSSIBLE . . .  
IN YOUR OWN CUSTOM  
HOME THEATER

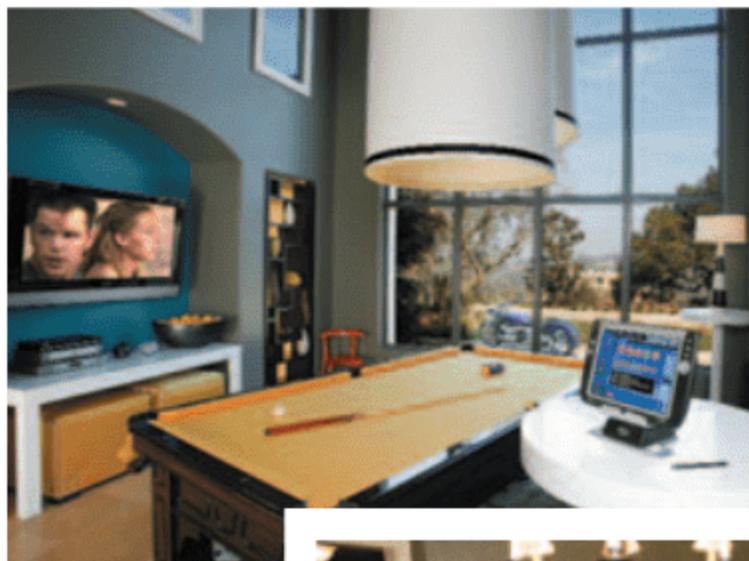

# MULTI-ROOM AUDIO/VIDEO

ENTERTAINMENT  
ON DEMAND . . .  
WHENEVER,  
WHEREVER  
YOU WANT IT

Why should great sight and sound be available in only one room of the house when **SOUNDX** can install a distributed audio/video system that makes sight and sound available in any room? **SOUNDX** will put the latest electronic technology to work in your home from inception to completion of the fin-

ished system, while providing you incredible control of your audio and video in every room of your home with simple, convenient and unobtrusive keypads or remote control operation. Home entertainment can be enjoyed as background for a party, or to enhance the mood of any occasion. Entertain the

kids with a movie in the home theater, while selecting music to be played on demand through the system anywhere else in your home. **SOUNDX** will put you just a touch of a button away from accessing whatever you want to watch or listen to, wherever, whenever you like.

# AUTOMATED HOME

**ELEGANT TECHNOLOGY  
SOLUTIONS FOR  
UNSURPASSED  
EFFICIENCY & SAFETY**

An automated home integrates all your electronics with a seamless system. Home security, computer networking, telephone communications, lighting, window treatments, HVAC, motorized lifts and accessories can all be controlled through one easy to use system. Imagine having your window treatments close and all the predetermined lights shut off with just the press of a button before you go to sleep. Imagine looking at your cameras, controlling your lights, and thermostat from anywhere in the world. The possibilities are endless. **SOUNDX** understands that technology can be intimidating,

but we have the knowledge and experience to simplify total home electronic solutions. Complete control of your home simplified.

# LIFESTYLES

MAKING DREAMS A REALITY

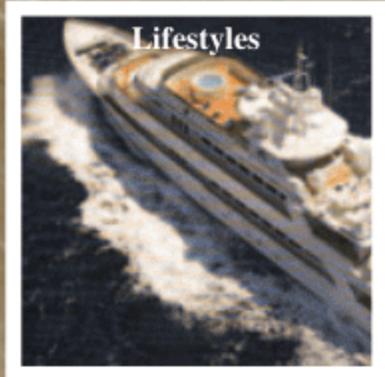

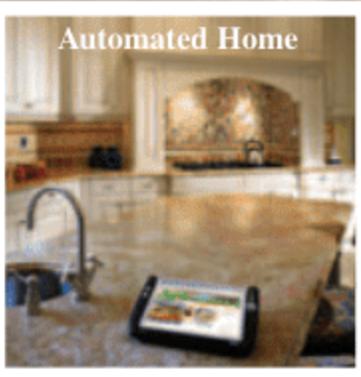

**SOUNDX** customizes the things that define your style of living. From yachts, planes, helicopters, private coaches to private islands, **SOUNDX** has done them all. **SOUNDX** has made our customer's dreams come true, in the U.S., Europe and even South America! **SOUNDX** works with your marine electronics to create one seamless integrated system.
