Order Submittal Process:

Before submitting and ordering please check all sizes and options to make sure that the quote reflects what you need and is correct. Then submit the "completely" filled out model "order form" for the model needed along with this "quote form" to the Sunair sales department. Your order form and quote form, options, and prices must be reviewed by Sunair "main" office prior to becoming an official order. Our Jessup office will confirm all information and price and send back both the quote and order forms for your signature along with the Sunair Pergola "terms" page. The terms page will define total order value and deposit needed. Your order is not confirmed until the Sunair terms page, order form and quote form is returned along with the deposit. At this point Sunair will also let you know exact shipping time. Exact shipping time may vary depending model and time of year if in season. Level model units made by Sunair will be quicker than other models made by Pratic in Italy.
