Re: **Epstein Matter, AD, MD and LG**

Dear Bob:

I received your April 3, 2010 e-mail in response to my April 2, 2010 letter. While I disagree with your observations regarding your ability to resolve the fee issues associated with the above three clients at the same time we attempt to resolve their cases, my client and I are willing to meet with you in Miami to try to resolve each of these claims. As you know, our meetings have been very successful in resolving all of the claims which you had, but for one, AH, where we all believe her demand was not realistic.

Please advise as to your availability to have a meeting to hopefully resolve these three claims.

Cordially yours,

Robert D. Critton, Jr.
