Subject: Trauma Consultation Centers

Dear Bruce,

I have gotten commitments from the 4 centers which are geographically distributed across the US time zones. All are at University Centers and have strong leadership and recognized expertise in musculoskeletal trauma care.

They are our center @ Columbia, Baylor University in Houston, University of Minnesota, and Stanford University.

The principal orthopedic surgeons at each center are Dr. Andy Burgess, Baylor; Dr. Matt Putnam and Dr. Marc Swiontowski, Minnesota; . Dr. Dave Lowenberg, Stanford; and myself at Columbia.

I think we are ready to have a conference call to go over some ground rules for the organization. This can be coordinated by my administrator, [REDACTED]

Also I have communicated with [REDACTED] regarding your request for the responsible leader in the Cardiology Department at Columbia. He would be happy to talk with you about extending this consultation service to his specialty.

Sincerely,

[REDACTED]

[Good morning Dr. Moskowitz,](#)

[REDACTED], a 26yof from the Mirabella V crew called requesting information on a dermatologist in Antibes, FR (near Nice and Cannes). We have one recommendation in Nice through IAMAT, but no Mayo Alumni in that area. Do you have any recommendations? They will be in the area from Sept. 10-16.

Sincerely,

Mitch [REDACTED]

[Bruce I just received a call form \[REDACTED\]](#)

A few important benefactor has a nephew that works in NYC and is having increasingly severe anxiety/panic attacks(?) only at work. Fine on the weekends but it is starting to incapacitate him. They would like the name of a NYC specialist (psychiatrist) we might know that he could see. He is 25 years old
