BBJ/737-700 IGW

- Engines CFM56-7B27/3B
- APU Honeywell Model 131-9B
- Winglets installed
- Auxiliary Fuel Tank System (7 Tanks)
- Gaseous Passenger Oxygen System
- Therapeutic Cabin Oxygen Outlets
- Gaseous Crew Oxygen System with Four Full Face Masks
- Lower Cabin Altitude Modification incorporated (LCA)
- Exterior Paint by Aviation Exteriors Louisiana (AVEX)
- Paint protection – Permagard
- Airstairs
- Dual Battery installation

AVIONICS

- 3 VHF Radios
- 2 HF Radios
- Aircraft Communication Addressing and Reporting System (ACARS)
- Selective Calling System (SELCAL)
- Cockpit Voice Recorder (CVR)
- Digital Flight Data Recorder (DFDR)
- Dual Multi Mode Receivers (MMR)
- Dual Distance Measuring Equipment (DME)
- Dual Automatic Direction Finders (ADF)
- Dual Flight Management Computers (FMC)
- Additional 3rd FMS (Universal System)
- Dual Air Data Inertial Reference Units (ADIRU)
- Dual Global Positioning System (GPS) Receivers
- Dual Mode S ATC Transponders with Enhanced Surveillance
- Dual Flight Control Computers (Autopilots)
- Traffic Collision Avoidance System (TCAS)
- Integrated Standby Indicator
- Multi-Scan Color Weather Radar
- Enhanced Ground Proximity Warning System (EGPWS)
- Heading Reference Switch for Polar Navigation
- Flight Dynamics Head Up Guidance system (HUD)
- Fixed Emergency Location Transmitter (ELT)
- Class 3 Electronic Flight Bag (EFB)
- Future Air Navigation System (FANS)approved Avionics
- Reduced Vertical Separation Minimums (RVSM) equipped
- Extended Range Twin Engine operation (ETOPS) equipped
- Complies with stage 3 noise limits.
- All Weather Operations (AWOPS) equipped.

CABIN

- 18 Passenger Seat's certified for Taxi, Take Off and Landing
- 10 sleeping positions
- 94 Gallon Water capacity.
- Dual UV water sterilizer units
- Satcom -EMS Satcom HSD- 440 and HSD-X
- Internet - Dual Swift Broadband channels
- Wireless LAN/LAN - EMS Satcom CNX-200
- Seven Wireless handsets for Satcom Voice
- Multi function Center (Printer, Copier, Scanner, Fax)
- Onboard server with wireless keyboard and mouse
- Second Internet system – ARINC "SKYLink" Ku Band system
- Second Satcom System -Dual Channel Iridium System
- Airshow 4000 with customised graphics
- In Flight Entertainment System -Custom Control Concepts (CCC) High Definition System with Four Zone Kaleidescape Video on Demand System capable of up to 900 DVD's or 10,000 CD's, Crestron remote controls, fully interfaced Ipod Docking Stations.
- Dennis Tracey 5.1 Surround Sound Custom speaker installation
- Three Cabin humidifiers
- Emteq LED lighting system
- Electric Window Shades
- Galley Equipment – Steam Oven, Microwave, Espresso Machine, Hot cup, Large Fridge /freezer, Ice compartments.
- 220 -230 Volt   and 110 Volt power outlets
- FAA Approved Emergency Equipment
- Medair First Aid Kits.
- Acoustic Package- Aerocon Engineering .
