RE: Installation of irrigation sleeves, piping and hose bibes at concrete pour foundation

TIME: \$400.00  
A total for work performed and completed with 2 men @ \$400 per day on 5/18

5/18	2 men	Tom asked me to install additional hose bibes off our existing pipeline. We ran 120' of 1/2" pipe and set one at middle of slab to service pump truck. We ran an additional 80' of pipe to end of foundation. We also installed (4) sleeves at threshold of cellar/service room door entrance behind master bedroom foundation. (2) 3" sleeves have 1.5" PVC pipe irrigation main and 1" conduit and (2) 4" sleeves are for lighting and additional conduit.
------	-------	--

**TOTAL FOR THIS INVOICE - \$400.00**

1010  
03-130
