Dear Brad:

I have obtained copies of David Rodgers' pilot logs from 1998-2002. I previously provided you with copies of Mr. Rodgers' logs for 2002-2005. As you know, these are Mr. Rodgers' personal documents.

Pursuant to your agreement with Bob Critton about limiting the time period covered by the subpoena, I am prepared to provide these documents to you, provided you agree to a stipulated protective order containing the following conditions. First, the information contained in Mr. Rodgers' pilot logs for 1998-2005 will be used solely for purposes of the litigation in which Mr. Rodgers was subpoenaed as a witness. Second, the information will not be disclosed to the media or general public other than if included in a Court filings and/or if admitted into evidence at a judicial proceeding. Third, prior to including this information in any public filing, you will give me advance notice so that I can seek any additional protective order that I deem appropriate. Please let me know if you agree.

Sincerely,
