Subject: Black--Change of Named Insured on Umbrella Policy

Dear Jeffrey,

Hello and happy new year!

Effective December 31, 2013, the Black 2006 Family Trust assigned all the art it owned to a new trust. The new trust is called the APO1 Agreement.

Kindly prepare an Endorsement (as of December 31, 2013) to the fine art insurance policy to remove the Black 2006 Family Trust as a Named Insured and to add **"Barry J. Cohen, Richard Ressler and John J. Hannan, as Trustees under the APO1 Agreement"** as an additional Named Insured.

Please call if you have any questions.

Best regards.

(PS—we have changed the name of the family office and moved to our own space—new contact information is below).
