Re: Jeffrey Epstein

Dear Lilly:

After our telephone conversation, I had the chance to confer with [redacted], the AUSA assigned to the Epstein investigation. During our conversation, you stated that your client wants to cooperate with the investigation and is willing to provide documentation, but you felt that the requests were overly broad. We have shortened and narrowed the list, and I hope that you will abide by your earlier agreement to provide documents. Please provide the documents not later than January 25, 2007, so that we may review them in advance of the meeting on February 1st.

If Mr. Epstein is unwilling to provide some of the requested documents, simply tell us which documents he is declining to provide or which do not exist.

If you have any other questions, please contact [redacted] directly at [redacted]

Sincerely,

R. Alexander Acosta
United States Attorney
