Re: Jeffrey Epstein VI Foundation
Registration with the NY Attorney General's Charities Bureau

Dear Mr. Indyke:

I write in response to your letter of February 10, 2015 in which you advised me that the Jeffrey Epstein VI Foundation ("the Foundation") has not conducted activities or solicited contributions in the state of New York.

In order for us to confirm the Foundation's exemption from registration, please submit a completed Charities Bureau form CHAR410 and a Schedule E. Both of those forms are posted on our website, www.charitiesnys.com. It will not be necessary to submit any documents that were enclosed with your correspondence.

If you have any questions concerning this matter, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Karin Kunstler Goldman".
