IBE - rules and regs at the law firm of Winston and Strawn. Justice wanted to have banking and insurance experts take a look at it. They have should be done late this week or early next week.

Terrence - I have communicated with him every day. He has only provided invoices for \$130K and verified payment of \$12K. I have been asking him repeatedly for his bank statement which should suffice as evidence of payment for the other \$108K.

Christensen/Ottley - Rich cut the check and it will be picked up this week.

Mapp - as I emailed to you previously, he and Celestino would like to meet with you in Thursday or Friday of this week.

Note: the latest poll shows that Mapp is within the margin of error and it is looking more like a run off.

With warm regards,
