Hi Daphne,

We are still during montage - please see the enclosed pics.

To finish the installation we need some cables, engine connector etc for which we must wait (I don't know how long).

If we had the original installation made in USVI, we would be already after testing.

Now we have to spend a lot of money for custom and one-time solution.

Best regards

Greetings Adam,

Checking in with you to see if the engine mounting has been successfully completed and when you might start your testing phase, or if you already started and have any feedback from your team regarding the Sportis.

Kind regards,

Daphne
