Jeffrey,

Great to see you today, as always.

In no particular order...

1. Here is job description for the position we discussed: <http://bereallyawesome.info/the-role/>
2. Here is another watch made by the company who made the limited edition version I had on today. I love this watch, also, and think you should consider it. The engineering of this thing is from another planet...

3. Please send me your most recent [REDACTED]. We did not finish our discussion of [REDACTED]. perhaps the week of the 24th?

P
