OCTOBER 2017

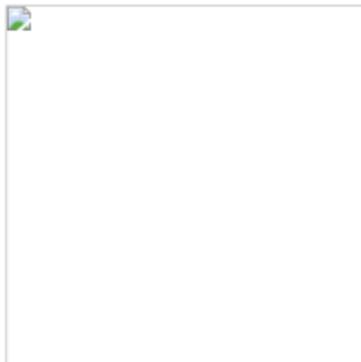

Hebrew University named Professor Dina Ben-Yehuda as the first female dean of its Faculty of Medicine. Ben-Yehuda, director of hematology at the Hadassah University Medical Center for the past 15 years, began her tenure as HU's 23rd dean of the medical faculty on October 1. A former researcher at the Center for Cancer Research at Memorial Sloan-Kettering Hospital in New York, her area of expertise focuses on malignant hematological diseases, including the innovative use of nanoparticles in treatment of malignant cells.
