Yes!!! Meeting Elena Terekhova tomorrow! I like her, hope to make younger friends in Moscow (my brothers friends are too mature now). I sent [REDACTED] [REDACTED] the job description - she said she needs to think about potential candidates. The first [REDACTED] hasn't been helpful. Meeting the other Katya next week (the one with the baby, she usually has at least one candidate)

Playing the piano every day and building the foundation website myself. My Mom has been teaching me Spanish and I speak almost fluently now.

I spoke to my fortune teller (the one I told you about when I just met you) - everything seems to be going well! She said that Pen is a good candidate for me and that he needs to solve his business problems first and to separate from his partner (Kunal has been stealing money from the company and once Image One sells Pen and his Dad will get rid of him).
