Rich,

Yes, that's the correct breakdown of the 22k figure. I will confirm below with our bookkeeper when I am back in the office tomorrow and I will also ask her to deal with the Dec 2012 replacement for you.

On a related note, I received a call today from the Marshall's Office informing me that this file is still open on their end because they are unaware of status. This should not be the case given that I am in compliance so would you kindly notify them accordingly so that the file is closed.

Thanks
Adam
