#### LUNCH

Tickets are required for lunch sessions. Those who completed the online tool will receive lunch tickets with their badges at on-site registration. If you did not sign up, please go to the Lunch Ticket Concierge adjacent to registration.

We apologize in advance to those of you who are unable to sit in the room of your choice for lunch. Unfortunately, the ballroom is not large enough to accommodate all of our attendees for lunch. We realize that lunch seating is the least satisfying part of the Global Conference experience, and we are sorry for any inconvenience. The process we now use, with assigned tickets, is required by the fire marshal to prevent overcrowding. We appreciate your understanding as we do our best to fulfill everyone's requests for seating.

#### PARKING

Parking at The Beverly Hilton for Global Conference attendees is available at a discounted rate. Self parking is billed at \$15 per car. Valet parking is billed at \$18.00 per car. Robinson's May parking is billed at \$18 per car.

## Additional Information:

**We are at capacity** at The Beverly Hilton. That means some sessions will undoubtedly fill up. Because of fire-code restrictions, standing is not allowed in most rooms. Once all seats are taken, the room will be closed. We apologize in advance if you are unable to attend your first choice of sessions. (Note that the choices you made using our online panel-selection form do not guarantee you admission to those sessions. They were used to help us make proper room assignments.)

**We will simulcast many of the sessions.** You are welcome to watch panels on these simulcasts whether or not the panel room is full. In addition, video of all the public sessions will be available on our website soon after each panel ends.

**Security is always of utmost importance to us.** In light of recent national events, please be advised that oversize bags will be subject to search by security officials. The Beverly Hilton will no longer store luggage of guests that are not registered at the hotel.
