I don't recall that being the reason.

I found the attached document (page A-3). It shows that AIF IV Management, Inc. transferred an interest in Apollo Management IV, LP to BFP when BFP was formed. I've asked Ada to see a copy of the LP agreement for Apollo Management IV. We'd like to see who the other partners of Apollo Management IV were.

is it possible that the only reason that ap iv ltd was added as an lp. was to make sure that all entities were not disregarded for tax purposes, and that a partnership requires at least two entites,? ? even though it is a sub s , for lp purposes i believe it qualfires as a non disregarded entity, any memories?
