Good morning Jeffrey !!!

How are you today?

Regarding the models: i understood, sorry

we just didnt have time to discuss all information.

Of course she is not new in model business, she came to Next Paris in 2003.

27 or 28y.o- honestly I didnt remember her exact age.

I gave her 8, you gave her 7 - now is clear what you think is 8)))

Please have a look in the attachment, these are some russian girls from scouting last year,

They are in Russia, not placed,

I didn't do any search since then because i am at [REDACTED] now and as you know i need to be there every day till 20h for 3000/month.

My friend has the website www.model.ru and we used to work with him at Next for scouting department and Fashion week in Russia.He has almost all network models in Russia.Some of them placed in Europe agencies like [REDACTED] and etc. and some of them still in Russia.

Let me know your ideas.

What is the budget, for what exactly we are looking for (commercial, not commercial and etc.)

Just after clear idea and plan will be easier.

kisses

vika

I think next time you should „Under sell and over deliver. It is not good practice to tell me she is 27 , when she is really older, and 9-8 , instead of 7-7.5. ..you are very talented, she said she is ten years in the biz. And is a great person. You are lucky to have friends like thar. Now it's time to get serious about your life and back to hard work
