Dear Jeffrey

Dining Room :

22nd we remove the furniture and carpet and Meriguët will begin the ceiling and cornice  
29th beginning of the installation of the wall covering painted canvas until the 11th  
12th beginning of the new carpet installation  
14th of April end of the carpet, re-furnishing the room

The curtains and the fabric for the Dining Room sofa will arrive at the beginning of June

I will send you a sample of the orange fabric for the Library walls, I am not already sure this room could be finished for the 15th of April but maybe you do not mind if the upholsterers work for another week there ( a little bit noisy with the compressor...)

At the same time when the sofas fabrics will be ready the upholsterers will come to change them in your house

Do you agree to keep the white sofa from the Library, the one with the nails around the arm, to put a chenille on it, for the Main Living Room ?

And the 2 tobacco velvet sofas will go back to the Library with a different light fabric ?

I cannot be more precise for the moment as the time is short and time of deliveries is random

With my regards

j
