My offers to assist are and have always been fully conditional .in fact , I have tried over and over to make it clear that there are consequences to your actions , consequences is the polar opposite of unconditional. I have given you money . I have never added strings for ex.
. Only buy this or that .-- But it was not unconditional

Sorry for all the typos .Sent from my iPhone

I've known you to to make generous gestures using words like 'there are no strings attached' (car) and 'it's of no benefit to me' (flying), "I am more than happy to pay for your g4 certification (to fly for Meridian charters)", and when the 'no-strings' theory is tested, it tends to fall apart. It's not terrible, your promises are simply not unconditional even when they appear to be. That's ok. I've learned that, and understand your decision. But I understand it because it is to be expected, not because it's right. It's certainly your right. And you should have it cancelled soon to avoid their penalties. I received TSA approval and schedule confirmation today.

I don't mean to annoy you, you don't need to discuss anything with me. It's just about my bizarre inability to stop being in love with you. There is nothing rational about it. It's ridiculously unconditional and you, I, or our bad behavior, don't affect it at all. I know it's been two years and I recognize this is not normal or appropriate. I tried not talking to you, making you angry with me, tried traveling with you again, flying for you just professionally, dating someone else, seeing you with other girls, not seeing you at all, but I am out of ideas. Not bad for a 59year-old ex-con ☹️🙄🙄
I encouraged my last boyfriend to see and play with other girls and when he refused because he wanted a 'true intimate relationship' with me, I broke up with him. It made for the funniest 'please don't go' conversation. I heard a lot of 'I'll try to see more girls' and 'I don't love you THAT much.' It was amusing but not helpful. So I am at a loss.
Seeing that your feelings have obviously changed, I don't want to drive your crazy. If you are done and ready to pass me along, maybe you can help find me a boyfriend who is not normal.

1. I have little patience to discuss your labels for people,, girlfriend, friend, masseuse, etc. . I said that even if i did not get a g4 , you should go to school as you were flying the g2. I'm sorry, you chose not to fly even the g2. , going to school for the 4 makes little sense. im glad you understand

I see Meridian Charter at Teterboro is looking for GIV co-pilots and G200 captains. Do you know anyone there by any chance? ([staff](#))

Pete, the chief maintenance inspector knows me and Larry but I don't think that makes a difference..
