Hi
Fred has told Sam that we will take him 3 month as an intern. As he doesn't know how we are working in an agency, it was the first step.
He has been helping to work on books and pictures, which allows him to know the girls , how they photograph and what they need to ameliorate.
I have spoken to him two days ago about him seeing agencies in Seattle and Vancouver during his next trip. I will see if he has an eye for choosing models.
I have also told him to send his book of stylist to our division in Miami,
He is a nice guy, no doubt, but it is not in 3 weeks that we can judge where he will be the most useful
We will try him to do stylism when new girls arrive.
It is very difficult to have someone on flexible schedule, but we can use him time to time on stylism
I understand that he wants more freedom that allows a normal job, but I need time to find out how to combine both needs

Hey Jeffery,

let me know when you have time and if you'd like to talk about the agency and what I should do.
I had hesitation at first but I am growing to like it more and more. I am being patient and taking it day by day for the next month or so. I assume they think I am interning here. No one discussed any position with me or what I would be doing in the future. neither did anyone discuss money or salary. I have been working every day since March 20th.
My concern is that I'll be stuck doing a secretary job and have nothing creative to do. I've been having fun and learning a lot but most of what I do is simple secretary work and I am more into creative things.
I can explain to you when we speak. Do not get me wrong, I like the guys here and been having fun and learning great things but I really do not know where this is going and what they think here. I am being patient and will continue day by day but at some point I do need to travel and see boris more often. We can not be in a relationship and see each other once every other month. I would love to figure some thing out where I can work with Jean Luc in and out of the office and be a bit more flexible - and at the same time tie it up with some styling work as well.

I think it's better to chat.. Let me know when you're free and will call you!

Hope you are well and having fun on the island!! Happy passover!! ;-))

Thank you for every thing of course.

Sam

Sam – can you please call/send email Jeffrey?

Jeffrey is curious how do you like your new job?

Or go to see him when he is back in NYC.

Boris
