Subject: incoming wires

Date: Wed, 15 Oct 2014 22:14:50 +0000

just spoke with Paul Morris and Kim from operations

DB confirmed that their bank has received both wires (13mm and 7mm)

DB confirmed that funds went into a suspense account - they believe it was a failure on DB side as it was not read properly

Funds will stay in suspense account overnight and they hope to rectify first thing in the morning
