Phil: I have been leaving messages for you since you were on vacation.

When I call and am told you are on a conference call....and I suggest I call back...and I get busy...that does not mean you have not returned my call.

I know you are very busy and my job is small...but this will be my life savings. I also have a enormous following of wealthy friends who all need lawyers.

Please try to at least talk to my account Glenn Davis and or me and or Jeffrey Epstein and tell us exactly what is going on.

What happened after sending in the jewelry appraisals and has the Palm Beach apartment closed and where is that money. Where is the money from Alpine house? Where is a full accounting of my mother's estate since she died last February a year and a half ago.

Where is all my money...not just \$800,000 above what mother's will says.

You keep saying my brother "can't do anything"....well, he certainly managed to screw me out of a lot of money his whole life.

Just a bit of your attention would go a long way.

Thank you in advance.
