When we spoke before patching you I asked what other stuff he was working on. He said a few other small jobs but if we were going to do 2 buildings on lsj then he would not book anything else. Unfortunately he is not the detail guy that we are seeking and we may be forced to hire someone stronger on lsj gsj full time to oversee construction.

I had asked Anna Daphne to find Tom melnick. He is not on stt but his number 2 person is in stt and Anna tracked him down. Maybe we should have him meet with you on next visit.

Anna also mentioned that all of Jimmy workers used to work for us under Lafayette with exception of Forman...
