Hi Michael,

So sorry that I missed WEF meeting last week. It would be fun to hang out.

Glad that you met Melanie, a very close friend and our new YGL. I knew that you two would click well.

Terrific that Melanie also made an introduction to Jeffrey. We should meet sometime soon (I think you will be spending significant time in NYC).

You might want to think organizing a session on Innovative Financing mechanisms in Davos 2012.

This is something we have been thinking a lot. And as you know Bill is preparing a report for G20 meeting later in year.

Let's talk soon in more details,

Again – sorry that I missed last week!

All the best

Boris

Hello to the three of you.

Michael is a YGL and I spent some time with him in Cape Town and London – transitioning from Barclay to WEF very soon.

I am constructing my very own Venn diagram between you guys....I think the overlap space has potential.

There is perhaps quite a lot for you to discuss relative to the ideas around innovative finance and Lord knows, probably math and physics too.

Not sure of everyone's travel plans but I recall that Michael may be in NYC next week.

I've mentioned this introduction to each of your separately but figured that a formal linkage was the best next step.
