Jeffrey - I have delivered a general presentation to your apartment on the preferred partnership freeze which was one of the strategies we reviewed briefly and that may be responsive to your request for leveraged planning opportunities that effectively allow for control of the entity to be retained; albeit in a capacity as managing member. We would more than happy to meet again to discuss this freeze transaction in greater depth if you have a specific transaction in mind for which we may collectively be engaged.

I also have a call into [REDACTED] to arrange a teleconference with Tom and Jonathan Rikoon to discuss whether or under what circumstances you may be interested in formalizing engagements for our respective firm's legal and fiduciary services to continue our dialogue for you and/or your clients.

Paul
