My Dear Jeffrey,

I even don't know from

where to start! Few months I have not written to You ,the routine swallowed me into its jaws...its hard to be a mother, daughter, wife , good friend and to integrate in new country, new culture, new language...but there was not a day i did not think about You! I feel endless gratitude for You !!! I would love to see so much! I am dreaming one day to catch a train to Paris when you are there! Now i am more free, because i stoped breastfeeding! I've started a new , exciting chapter of motherhood !

Jeffrey, please tell me how did You survive Irma? how is your house in Palm Beach or Caribbean paradise?

Sanding You lots of Love and Gratitude from all of us!
