Tried your line..it answers saying this is test of the epstein phone system
I have changed my plans and will meet with her Tues..I think this is best
I will also get to Barden to ask for an extension so we can explore the best way
forward. Everyone I have talked to says this gets tossed..I would rather have it
tossed than anything else..it is with out merit in every dept and this NY not rinky
dink

Plse confirm the name of the person and can I call her tomorrow?
Call me back
