Subject: Boeing Update on As-Is sale

Darren,

Yesterday, upon the direction of JE, I countered Mr. Jaffe at 1.1 million dollars with the Aircraft and Engines delivered "As-Is"

I just received a call from Mr. Jaffe and he has requested for you to send an email to Patricia confirming the new "As-Is" price, as well as a confirmation that he can have 10 days to further his diligence.

They are planning to send their man Mark back to Palm Beach on Monday for a closer look at the engine and engine logs and they would like for Larry V to be present.

I have already discussed this with Larry who is currently bring the Bell back to Florida for maintenance.

Please send me a copy of the email to Patricia once you have emailed it.

Regards,
