I am serious man -- for the good of the nation why not try to get some of this out there. I would not do it myself, but would pass on to a political reporter.

Plus: look at these lies!

In response to a message left seeking the Trump campaign's comment on this article, on Thursday Trump's general counsel Alan Garten emailed threatening legal action against BuzzFeed News. "Mr. Trump's only connection with Mr. Epstein was that Mr. Epstein was one of thousands of people who has visited Mar-a-Lago. That's it. Mr. Trump has NEVER been accused of having any involvement or even having any knowledge of any of Mr. Epstein's conduct by anyone," Garten wrote.

"As a result, I have no idea what the purpose of your article could possibly be other than to try and intentionally and with actual malice defame my client's name and reputation by mentioning him in the same article as Mr. Epstein. In other words, suggest guilt by association. This is the very definition of irresponsible and reckless journalism and to publish such a story would be highly unethical - even by buzzfeed's standards."

Now everyone coming to me thinking I have juicy info on you and Trump.

Because of this.

"I've known Jeff for fifteen years. Terrific guy," Trump booms from a speakerphone. "He's a lot of fun to be with. It is even said that he likes beautiful women as much as I do, and many of them are on the younger side. No doubt about it

-- Jeffrey enjoys his social life."

That story will never die.
