You told me to find a paying job so I did but I don't find any growth as a future career in being a babysitter or a waitress because it doesn't teach me anything interesting. So I'm doing as you told me

About what I should do in the longterm. Now I'm doing babysitting and waitress just to have a little extra cash but what I earn barely covers my rent and I'm not learning anything interesting for my personal growth or career. I'm worried about my future and wanted to talk with you if you had any suggestions...
