Here the information about the contract with [REDACTED]

Spoke to my tax lawyer from [REDACTED] Thursday and he said the deal with [REDACTED] is done.
Imad has the money on his account and will transfer it to mine this month, 56.250 EUR.

But starting from the start.

[REDACTED] has a contract with me that he owns me E160,000 for the money he put into [REDACTED].
We made this contract during the divorce, between me and, one of his company's, new amsterdam investments.
He has until 2015 to pay me back, after that we'll make a new contract.
I will, hopefully, get the rest of the money back when he makes money by managing models who left [REDACTED].

Then new amsterdam investments is owned 75% by [REDACTED] and 25% by my tax lawyer, [REDACTED].
[REDACTED] never invested in [REDACTED]. He says he did, but I know he didn't.

I will ask him monday to send me the breakdown of the E56500, so I know if he did or didn't take 25% of the [REDACTED] deal.

If he did, I will talk to him about it when I see him in [REDACTED] next weekend.

I will forward you the contracts in the next emails.
