The second row should read "States not filed in 2014" Attached is revised matrix. (Previous version indicated 2015).

Re: where to file requests for extension of time to file State income tax returns.

I attach a file that is my proposed decision matrix on where to file extensions of time to file for state income tax returns FY 2015. I also attach Apollo's latest state income schedule which came out late last night. It may change again.

The matrix considers the follows in proposing where to file extension

(1) Filed in past, Apollo management company operations in state

(2) LIKELY MEANINGFUL POSITIVE STATE SOURCE INCOME (COMPOSITE ALL BLACK INVESTMENTS + APOLLO)

(3) MEANINGFUL STATE WITHHOLDING AT SOURCE by Apollo - FILE return TO CLAIM CREDIT

(4) FILED RETURN IN STATE IN PAST

I have not yet had a chance to discuss this schedule with Tom but we have discussed approach.
