Dear Jeffrey,

I was thinking about our conversation over this week about my algorithmic trading model and thought it did not go quite well. I decided to write you a letter fully expanding on your question. It's 2 and a half pages long with pictures and definitely worth a read! It's attached to the email

as well as this summer test result. Can provide weekly fall tests or any certain day result if needed.

Can I confirm dates for our next Skype call? It's November 15-16, right? Not November 5-6?

I very much hope to hear from you in the near future!
