I am pretty certain [REDACTED] and/or Larry Delson mentioned to JEE in June when Erin was brought in on a very part time basis. [REDACTED] has an accounting degree and is sitting for the CPA exam. She is an expert in Quickbooks which will be helpful in training our bookkeepers and getting the most out of off-the-shelf accounting software which covers our 50+ entities and reporting. She also handles family office engagements for a CPA firm and is the direct face to clients (client service manager). She is well organized and communicates well.
