Subject: Hi Barbro- Diana's NYC trip

I am Diana's Campaign Director and I am just emailing to check in and see if you have the availability to stop by Diana's fundraiser on Monday, 10/19 at the home of Libby Cantill and Christopher Chan. We would LOVE if it you could stop by and also if you could send to this to any of your folks who might have interest in learning more about 21st Century Cures, which passed the House this summer and is now in the Senate.

I have attached the invitation for your review.

Please let me know and thank you so much for all of your support of the campaign.

Very best,

Melanie
