Everything is blah blah blah for you since you only want to listen what you want. If fighting is what you are aiming to ok, I understand. You didn't answer my question:

2) can you explain to me what is your definition of stealing ? If those boots would have cost 200 euros would you still tell me I stole from you ?

Ps: belt and shoes were included in the deal. Why aren't you upset for not showing you the third pair of shoes ?

and i guess jewelry = belt. . 20k = 10k . and ask whomever you like and tell them what you did , you did buy the shoes , you showed them to me, you spent another 10k on things that you never ever did. either before you were caught or anytime after. I only saw today when bella questioned.

3) I did it with [REDACTED]. I don't know how you found her but I usually don't go out with this kind of girls. If I asked one of my friends " do you want to have a threesome it's very probable they would get shocked. I don't , but they do.

you now tell me boots. you and i shopped and tried on shoes together, you told me this is what you wanted and that you bought you get indignant when i suggest you find a girl that you and i can play with together , and say you do not want to be a pimp. ( not for me , but for us ) or a whore . I guess you think that stealing money from someone who trusts you is a step above the rest. . you showed me the shoes. asked if i like them. you decided to buy boots, I do not know the cost , without asking showing mentioning, nothing , your pathetic excuse re the bracelet is that you did not hide it, you showed me, it seems you chose not to show the other things you stole. I m ashamed of you. its disgusting

Steal????! Didn't you tell me " you can buy shoes and belts" ??? I totally agree with you for Cartier because it was jewelry but for Hermes i bought what you told me I could buy. You never ever told me not to buy over a limited budget. Never
