Everytime I speak with Michael he puts me on speaker and he does all the talking and on a rare occasion she will speak. Yesterday her comment was that they were understaffed in housekeeping and all the girls were tired. She said before 5 palms and flagpole pool and gsj they had 7 girls and now they have 3. Michael also told me that Kim was crying all week and started to cry again on call when I said she could continue to work but not him...
