Dear Mr. Rød-Larsen,

Please find attached to this email an execution copy of your organization's grant agreement with the Bill & Melinda Gates Foundation. Assuming that the agreement meets with your approval, please sign and date the document and return to my attention no later than the date listed in the agreement via email or fax at [REDACTED].

We are also requesting wire instructions so we can issue the initial payment upon receipt of the fully executed agreement. In order to do so, we will need the attached wire transfer instructions to be completed. Please forward to your banker for completion or complete and have your bank confirm the information is correct either by email (preferred) or faxed back to me. **The completed form must come directly from the bank.** Please note that our Finance department will not release the funds unless the wire instructions are independently verified by your bank.

If you have any questions regarding this agreement or its terms, please contact Paul Facchini, Grants Manager at [REDACTED] or Paul.Facchini@gatesfoundation.org.

Thank you in advance.
