Hi Jeffrey,  
Masha mentioned Monday is a good time to connect. Are you available in the late afternoon/evening by chance?  
Looking forward to reconnect!  
Best, Christian

Good morning Jeffrey!  
Hope you are doing well. I briefly wanted to follow up with you, what would be a good time to meet for a coffee or wine in NY? I will mostly be here (vs in Cambridge) over the next few weeks.  
Best regards, Christian

Hi Jeff,  
Sounds great! I am currently spending a lot of time in New York, we could go for a coffee/wine on one of the next Sundays or if during the week is better, some time in the mornings/late evenings of Nov 8-11.

Let me know what works best. Best, Christian

Hi Jeffrey,

It is a great pleasure e-meeting you. [REDACTED] has already told me a lot about you and what a fabulous mentor you have been for her. I am transitioning from graduate studies at MIT to a full time role at my company in NY this winter (we are building a Github for APIs), this comes with a lot of excitement as well as challenges on scaling our team and success.

I would love to hear how my approach resonates with someone who has been extremely successful and established in his works.

Would you have time to grab a coffee sometime over the next few weeks?

Best regards,  
Christian

[REDACTED], thanks for facilitating the connection!
