Jeffrey!

How was teaching at Harvard?

I plan to come 25 February for 4 days to New York to get information for [REDACTED] exams that I am taking in February 2018. I will have to take preparation courses too I guess.

Will you be in NY then?

Where are you Tuesday-Wednesday this week? Christian has your birthday gift and would like to pass it to you!

Let me know when you get time to Skype. Maybe today 11 pm Paris time ?

Hugs,

[REDACTED]
