Hi Bella ,
How are you ?
Here are new attached receipts for JE 's purchases and other expenses under his name . The total is 321 \$
. Please could you refund it to my card along with this month rent payment . Also could you please from now
on count an additional 15\$ when you make a withdrawal transfer transaction . As I figured out all those times
, the bank were charging me 15 \$ for every transaction which is an essential for my budget in a long run .
Thank you !
