Hi Jeff  
I've got it. Cancel the consideration of any investment with them.  
I still want to discuss it with you tomorrow in other aspects.

Dear Mr. Indyke.,

Following our conversation yesterday with Mr. Kahan attached please find 2 excel sheets regarding the Company's cash flow.

The excel sheet of the monthly actual report should be read under the following assumptions and comments:

1. All the actual data come from the priority (ERP) system.

2. In some cases average value was taken, due to lack of time, anyway the total value is accurate.
3. In July-August the sales decrease due to the "Zuk-Eitan" military operation. We anticipate to receive 100k\$ compensation.
4. The report does not include equipment depreciation
5. The report does not include interest on the historic owner's loan

If you have questions regarding the attached excel sheets please contact Mr. Ofer Amir, one of the major shareholders of the Company, directly (cell - [REDACTED])

Regards.

victor
