Hi

Now back in Paris...for work after 4days in south of France without internet for my niece's wedding.

I drove the Mercedes great trip. Smooth drive, silent,secured

You don't feel the speed and this is why 2 flashes from radars got me. One 210km/h and one 170

Anyhow, I went to eat twice on a 3 stars restaurant

One is Paul Bocuse

But, still Jiro has no competition.

And Mr JEE what are you doing?

Next week in London and back to NY

where areyou?
