Dear Jeffrey,

especially thanks to you, 2014 is going to be a very exciting year for me, and I wish the very same to you; may your journey through that new year be rewarding, exciting and brimming with greatness, growth and fun, too!

December was very busy (among other things, Chaos Communication Congress; I gave a lecture on why and how people should take on the original goals of AI again: <http://www.youtube.com/watch?v=WLpoRfK014Q>). But let me know if and when would suit you for meeting in person in the near future.

All the very best,

Joscha
