It was raining, thundering & lightning this AM in STT according to a call from Carlos at 6:31 am
I could hear the thunder and the surf was heavy on the other side LSJ
I cleared at 11pm

Even though the weather looks great on LSJ, The weather on St. Thomas was really bad.

Me and Leighton could hear the lightning and thundering from St. Thomas on LSJ so we called Carlos and asked him how safe was it to come over and he told us that he wasn't comfortable with bringing the crew over in that weather.

no crew today - Carlos called and said weather is bad on St. Thomas - rain and thunder. Light rain here.
We can hear the thunder

Do you want all storm prep to stay intact?
