No - you were afraid of my reaction so - you chose not to tell the accurate story . You were taking meds !! And instead of telling me you decided and hoped it wasn't [REDACTED] but refused send to tell the truth . I understand however I told you that telling the truth is much harder than you think . And it forces me to ask myself what else has she not been honest about - with appropriate excuses of course

I apologize for that, I understand that it was wrong decision to wait the results.I didn't know by myself what it was. But I understand my liability to you.

I should tell you immediately, I was afraid to disturb you and made you sad.

I m very sorry for that. I was afraid to make you worried. wasn't sure. [REDACTED] has clear symptoms, but I didn't have them.

One of the reasons that I didn't come was that I didn't want to put you in a risk if it would be [REDACTED]

I'd like you to explain to me why on Tuesday when asked about Doctor you didn't tell me about [REDACTED] When I talked about [REDACTED] you didn't tell me you had already started on medication days before . Was [REDACTED] part of the reason you did not come to Morocco .? Sorry but as you know truth is my only requirement and I feel that I have received less than full
